JUDGMENT

Writ Petitioner's fight against the mother continues and now he has reached this Court again with a prayer not to permit the execution of the proceedings. The fight was between two sisters and the court granted a decree thereby it permitted the party to put boundary separating the property. Now from the sister, the writ petitioner proposes to purchase the property by virtue of an agreement to sell. It shall not stand in the way of putting up a boundary between the properties. Whatever is due under the decree and whatever parties are entitled to will be there. The court below has only permitted to put boundary between the two properties. Therefore, at this stage, no interference is necessary. If there is any grievance, later it can be worked out by filing appropriate cases, if the law permits.

Writ Petition is dismissed.

M.N.Krishnan,
Judge.
